Dare to Believe Ministry...

is a socially responsible and biblically based ministry built on relationship, common purpose, and shared values.

Scripture talks a lot about dreams and visions. Yet, Christians often don't know how to discern what God is saying. Dare to Believe Ministry is focused on Bible based teaching and mentoring to help people learn how to "pay attention to" God's voice in their lives.

Pastors Kristi and Gary Graner lead Dare to Believe. Together they have led in ministries the world over, teaching believers as they seek to learn more about their gifts, to strengthen their walk with God and to achieve spiritual freedom in their daily lives.

Kristi specializes in coming along side individuals and groups to hear and discern God's voice in prayer, learning, and ministry settings.
